BEROE

TROPHY CASE:
National championship (2): 1990, 1992

Head coach: Tatyana Gateva

Tatyana Gateva, Beroe coach: »Our first aim was to qualify for F4 and we are happy that we complete it with best balance of all teams in the season so far. Despite that the standing stands us against the home team which is one of the best in the WABA League. We are preparing for the matches by the best way we can eventhough it is difficult because our foreign players have not official game for more than 20 days. I believe that if we play clever and calm we got our good chances in the semi final with Celje and after that the cup will be one step closer.«

Head coach: Goran Boskovic **Assistant:** Smilijana Milatovic

Goran Boskovic, Buducnost Bemax coach: »I expect a very demanding and uncertain final tournament. The favorites are Beroe and Celje. In our semi-finals with the Red Star, the opportunities for promotion are equalized. In the regular season, the Red Star won in Belgrade, we won in Podgorica. It's going to be a tough game. The important things will be concentration, aggression, energy and fewer mistakes.«

Damir Grgic, Cinkarna Celje coach: »As fourth placed team, we qualified for the final tournament, when the key victory entered in the last part of the regular season. We expected the semi-finals without pressure. Our team will do everything to show the best at the homecourt. I believe we can play a very good tournament. Our first opponent will be Beroe, who has a great team. They won the regular season title, but this will not matter now. The final tournament will be an unique story. Every team will do everything to get to the end. I would like to congratulate all the participants of the 2019 WABA Final-Four for the achievement and I want them to feel good in Celje.«
